## Continue to invest in Moscow in Kamchia resort near Varna

**Approximately 11,000 pupils Moscow will be able to rest in 2011, in the new year-round holiday camp "Raduga" (Rainbow), which opened on Thursday (9 September), and is part of the holiday complex of Kamchia the Black Sea coast near Varna, property in Moscow.**

**Camp Raduga (Rainbow), Moscow is the second object in the resort of Kamchia.** Since 2008, Moscow children based on the Bulgarian coast at Camp Longoza. The new camp "Raduga" (Rainbow), both may lie around 600 children and 100 teachers. Rooms are equipped with air conditioning, bathroom with WC, are also equipped for disabled children. On the roof of the camp are installed solar panels that provide about 15%

of energy. In the camp there is still a community center, concert hall, rooms for classes in music and dancing, bowling. , Died in the autumn season, can study their school program in specially equipped classrooms.

**The opening ceremony was attended by Mayor of Moscow, Luzhkov and Prime Minister of Bulgaria Boyko Borisov,** and other officials and honored guests from the Bulgarian and Russian party, news agency RIA Novosti.

**"I am convinced that what we do with the Bulgarian government, local authorities, we will be vzaimnopolozhno,"** Luzhkov said at the opening. He added that the opening of the camp is "proof of friendship between the Russian and Bulgarian people, which has historically roots. "

**According to Moscow's mayor,** among children who are currently on holiday in the camp, there are boys and girls from the exhaust as a result of natural fires Moscow villages.

**According to Luzhkov,** summer camp will be fully available to the children, but in autumn and winter will have the opportunity to rest and veterans.

**Luzhkov also said** that the opening of the camp allows for operation at 400 Bulgarian specialists.

**"Also, we ask our Bulgarian brothers, all fresh, sunny, to come to the table for our veterans and children."**

**Luzhkov said plans and said that in complex Kamchia planned construction of a number of sites.** Among them: a medical-diagnostic center and spa, school, sports center with an arena for athletics and swimming pool. Furthermore, the Moscow city authorities intend to build here, another camp with 600 seats, which will be called "Black Sea".

**"In 2011 we will complete the entire complex, and it will be the most beautiful on earth" -** said Luzhkov. However, a statement of Luzhkov, it should be noted that the official deadline for completing the entire project is mid-2012.

**Prime Minister of Bulgaria, Borisov,** in turn, thanked the authorities of Moscow.

**"We thank you for your investment, which are about 200 million for 400 jobs and the fact that the flow of tourists has increased by about 30%" - Borisov said.**
