Moscow Mayor Yuri Luzhkov with Prime Minister Boyko Borisov jointly cut the ribbon on child wellness camp

Previous Photo 1 2 Next image

On 9 September the Mayor of Moscow Yuri Luzhkov with Prime Minister Boyko Borisov jointly cut the ribbon on child wellness camp "Raduga" in the resort Kamchia, an impressive investment entirely geared towards children. The ceremony was attended by First Deputy Mayor Lyudmila Shevtsova of the Moscow, members of the State Duma, representatives of Russian media, Bulgarian ministers, representatives of state and municipal institutions.

With the completion of child wellness camp "Raduga" end of the second phase of the project to build the "International Children's recreational and Health Complex Kamchia. Investor's juice Kamchia EAD with CEO Stanka Shopova. The company is 100% owned by the government of Moscow.

In the first phase of the project was built complex Longoz 2, which is about 400 children. The building with area 5930 sq.m are located and multipurpose hall - a forum for different events with 450 spectator seats, training rooms and conferences, a modern sports center with fitness room, gym and pool. Universal Story Consult Ltd., Blagoevgrad. Kids Wellness Camp Raduga is situated on a plot of 62 acres. The building has a zastroenaa area 10,118 square meters area and 40,564 square meters Functionally consists of a sleeping body and community center with a cinema - a concert hall, study and conference rooms, sports and educational center, exhibition hall. Investment in the complex is about 40 million. Head of Bulgarian project is architect. Victor Buzev. Artist is "Universal Story Consult LTD.

By building new facilities in Kamchia provides an opportunity for recreation and education, cultural and social activities of the Moscow further 600 children. Together with complex Longoz within the resort complex we will rest and create a total of 1000 children per shift. Both camps will run throughout the year on programs and projects developed by the Department of Family and Youth Policy, Committee for Public Relations and the Department of Education Government of Moscow.

Children living in the moment in the complex have already started the school year on 1 September. Train them teaching staff of 30 teachers from Moscow. The school has two shifts, they have formed 15 classes from 4th to 10th grade. Children learn in Moscow textbooks and formal curriculum.

As part of the second stage of project construction continues on a medical-diagnostic complex, which is rough construction. A launch and construction of an indoor sports center and educative center.

The project investor is JUICE Kamchia EAD with CEO Stanka Shopova. The company is 100% owned by the government of Moscow. For this project the company was awarded the certificate for first class investor certificate for investment class OSS Kamchia has approved and certified management system ISO 9001 and from 2010 and holds a certificate of a system of environmental management environment 14001/2004. The company is a member of Trade and Industry and the Bulgarian Tourist Chamber.
