Boyko Borisov, Yuri Luzhkov opened Children's Wellness Camp Raduga "

Thursday, September 9, 2010 01:22

Prime Minister Boyko Borisov and the Mayor of Moscow Yuri Luzhkov will attend today the official opening ceremony of the Children's Wellness Camp Raduga "in resort Kamchia. The site is part of the investment project of the Government of Moscow for the construction of International Children's sanatorium and Health Complex Kamchia.

The event will be attended by Minister of Education and Science Minister Sergei Ignatov and Sofia Mayor Mrs. Yordanka Fandakova. Ceremony involving the Prime Minister Boyko Borisov will start at 14.00 in Kamchia resort.

Children Irager is owned by Moscow. It enters into the composition of the sanatorium-healing complex Kamchia. Over the next two years works in the territory of Kamchia will continue. It is envisaged that construction of another hotel with 600 places, spa and remedial cabinets, modern sports complex with swimming pool, an outdoor theater. It is envisaged that the camp can accept up to 15,000 people. The total volume of investments of the Moscow Government in the development of Kamchia is about 150 million.

Apartment Building in the complex will have two - "Raduga" and "Black", with a total capacity of 1200 beds. The hotel buildings are crescent-shaped and have a warm relationship with the complex creative activities. It will be revealed and ballet music halls, radio and television studios, schools of fine and applied arts. Planned construction of a summer amphitheater with 500 seats. Sports center in the western part of the complex is open year round. It provides courses for various sports and swimming. The complex will have its own diagnostic wellness center and pharmacy. It will also be disclosed shops, utility, even fighting a landfill. The commercial complex will be located in 15 three-storey houses to accommodate year-round personnel.
