## **Complex "Raduga" - Kamchia**

**Largest investment outside of Moscow in Russia is located in the country - in the resort of Kamchia.**

This is children's health center. It was opened today by Prime Minister Boyko Borisov and the Mayor of Moscow Yuri Luzhkov. Hosts Russia had prepared properly for the opening of the complex. Choreography Olympics-style surprise guests. Especially for the opening of the complex, together with Borisov, Sofia arrived from the Minister of Economy and Energy, Minister of Education and Mayor of the capital Yordanka Fandakova. Children's Wellness Center "Raduga", which opened today is part of International Children and Health Complex Kamchia the Government of Moscow, which gradually built on 300 acres of land 20 km south of Varna. "Raduga" is located on an area of 62 acres. The base has a capacity of 600 children. Together with the previously built hotel Longoz which is provided for 400 children in the territory of Kamchia overtake rusnacheta 1000. These are young people 11 to 16 years who are studying in textbooks and official curricula of Moscow. Open house today was built in record short period of 1 year.

**Employer of the site is OSS Kamchia that 100% owned by the Government of Moscow. The conceptual design is of specialists from St. Petersburg, a chief designer of the Bulgarian side is the architect Victor Buzev. Investment in "Raduga" is 40 million.**

Different from the traditional school is that in Kamchia no pet. Students studying in two shifts of four hours. Each camp lasts 28 days replacement, 22 of them teaching. The first days of stay are adapting as children from different areas of Moscow and the last three days were devoted to trips to Varna, Nessebar and Balchik. Sgradata was built in 12 months. We spent the summer in the resort 600 children. Some of them were kids of the victims of the fires this summer in Russia's cities. The complex children, except that teach general education subjects rested in a healthy environment. These environmental conditions have directed us since it was clear the mayor of Moscow Luzhkov. He explained that next fit the complex will lie 11,000 children and 3500 veterans and pensioners. The complex employs 400 people. Fruit and vegetable menu buy the region.

**For exports from Bulgaria to Moscow on fruits, vegetables, mineral water, wine and cans agreed today mayor of Moscow Yuri Luzhkov and Prime Minister Boyko Borisov.**

The prime minister was categorical that will shortly begin intensive work on a project in which to exchange Bulgarian and Russian children during the holidays. Borisov stressed that despite all spoken words and written texts for the price of gas, it will be lifted On the contrary - will fall by 1 percent.
