Moscow Mayor Yuri Luzhkov, together with the Prime Minister of Bulgaria Boyko Borisov, August 26, officially will open the children's sports and recreation complex "Kamchia", which is located in the homonymous locality 25 km south of Varna.

"At 25 km. from Bulgaria's sea capital - Varna is a paradise with a rare combination of ancient forest, sand dunes, rivers and seas. Picturesque estuary **Kamchia** - one of the most unique natural formations in Europe. Wide flooding of the river called "Longoza" has long attracted the attention of tourists, offering a fantastic variety of landscapes and flora.

The mouth of the Kamchia river - one of the most beautiful places on the Bulgarian Black Sea coast. Area is characterized by endless beaches, starting from the north on the terrain finger, and ends in the south, the Black Point, near the village SHKORPILOVCI ... "- that is described in the tourist area of Kamchia references.

This area and this is not particularly well known in Russia, even more surprising, from learned about her in the Moscow mayor's office at the beginning of this century. Nevertheless, in 2001, near Kamchia, Municipality of Moscow bought an existing hotel Longoz "with the adjacent land. On the same site claimed investment funds from Germany and Spain, but against the officials of the Moscow mayor's office, having already great experience of participating in the tenders, the Germans and the Spaniards had no chance. In August 2002, YM Luzhkov signed a decree N 1186 RP on drafting a health-improving complex "Kamchia".

ПРАВИТЕЛЬСТВО МОСКВЫ

РАСПОРЯЖЕНИЕ

13 августа 2002 г. N 1186-РП

О подготовке проекта создания  
санаторно-оздоровительного комплекса  
"Камчия"

Во исполнение поручения Мэра Москвы от 10 июля 2002 года N 4-19-11144/2:

1. Согласиться с предложением руководителя Комплекса социальной сферы о создании в Республике Болгария под г. Варна на базе зоны отдыха АО "Камчия" санаторно-оздоровительного комплекса "Камчия" (далее - СОК "Камчия") для организации круглогодичного отдыха детей и работы с соотечественниками.

2. Признать целесообразным приступить в IV квартале 2002 г. к разработке проекта создания СОК "Камчия", предусмотрев поэтапное освоение территории комплекса без остановки деятельности его действующих объектов и мероприятий по организации отдыха детей из Москвы.

3. Руководителю Комплекса социальной сферы предусмотреть в целевой программе социальной помощи и организации оздоровительного отдыха детей на 2003 год использование СОК "Камчия".

4. Управлению бюджетного планирования городского заказа Правительства Москвы для выработки предложений о долевом участии города в инвестиционном проекте по созданию СОК "Камчия", учитывая социальную значимость проекта, обеспечить в 2002 году финансирование подготовки технико-экономического обоснования (ТЭО) и его экспертизы.

5. Утвердить рабочую группу по подготовке проекта создания

By the year 2005 was prepared and approved the project which includes reconstruction of the Hotel Longoz "and an extension to his new wing Longoz-2. As well as the construction of two camps, "Rainbow" and "Black Sea" for 600 people each. In addition, the camp provides for construction of the summer amphitheater, indoor and outdoor pools, and the stadium. Just to be built residential building for staff. Known about the decision to build a yacht marina. At full capacity the camp "Kamchia" will start operating in late 2011. The complex will be able to take 2000 people simultaneously. Children from Moscow since 2008 have the opportunity to relax in the "Kamchia". At the moment, the complex can take 350 people.

Yuri M. Luzhkov, Vladimir Putin shows the layout of "Kamchia".

Construction is in phases. Hotel Longoz "was renovated in 2008. The new wing of the hotel - "Longoz-2 was discovered in July 2009. City Hall is a cost of 8 million.

Just built a restaurant "Panorama", and updated restaurant complex "Crystal".  
At Camp Rainbow, which will be ready by August this year, it invested 22 million euros. The entire project will cost the City Hall at 100-120 million euros.  
Complex "Kamchia" - the object of social value, in the summer here will relax the children of Moscow's social programs. It is assumed that within a year "Kamchia" will accept Moscow's veterans.

On the last photo shows the building Longoz-1. Building Longoz-2 has a semicircular shape and closely adjacent to Longoz-1. This picture was taken with a maximum in

2008.
