

The KAMCHIA Resort Complex

It is located on the land of the village of Bliznatsi, at the mouth of the Kamchia River, which flows into the Black Sea. The most famous tourist attractions are the Longoza Reservation, the buffer zone of the Kamchia biosphere reservation, the protected locality of Kamchiiski Piasatsi and the Kamchia fisherman's settlement. There are two resort complexes along the coastal zone, the Kamchia-North Complex and the Romantica Complex. The construction of a modern health-promoting resort complex will soon be underway funded by the Moscow Mayor's Office, Russia. With its virgin nature, dense forests and clean beaches the resort is bound to develop as an international recreation center. There is a strong interest by investors in this connection. New four-star and five-star hotel will be erected in the near future, together with a tourist walk for ecological tourism, a lege of Tourism and riding facilities. The Ka-Resort Complex will European level upon of the accommodation with 13,000 beds. The ty have many plots in Resort, on which are

Col-horse-mchia rank at building facilities Municipali-Kamchia being build a lot of villas, hotels up to 12 m high, attractions, SPA & Sport complexes, medical & shopping centers.
